A Note from the Northwoods

Hello Kindergarten Families! This note has a few reminders for you as this is a busy week here at St. Thomas.

Spring Program is tonight at the **Aquinas College Fieldhouse**. We have a **dress rehearsal at 1pm**-the PM class is walking over and the AM class is welcome to join us. The **main show is tonight at 7pm**. We will meet as a class at the end of the bleachers and then sit together as one huge kindergarten delegation. Our **costume is black pants and bright solid colored shirts**. **After the show we will stay together as a class and a parent will have to come and get their kindergartner from Ruth or I**. Don't forget your **pack of 100% juice boxes** for our Kids Food Basket Drive-its your **"admission" to the Spring Program**.

Just a reminder that a number of things are **due on Friday May 11th**: This includes the **zoo permission slip**(we are going Wednesday May 16) , **the Letter Person Summer Program slip** (please return even if you are not ordering it for the summer) **and our book order**.

I totally spaced out and forgot **May homework** so I have it for you **today**. The **Book-It Program was finished in April** so there is no May Book-It.

Talking about wrapping things up, our **Book-In-A-Bag will have be done after this weekend**. We need time to get the books back in and gather them up for the summer.

And finally just a reminder that on **Monday May 14 I will be out** on a personal day. Mrs. Faber is going to be subbing for me.
