

# \*\*\*\*\*4<sup>th</sup> Grade News\*\*\*\*\*

May 24, 2007

Dear Parents & Students,

I am sending the newsletter a day early because I will not be here on Friday. My son, Jimmy, is graduating and I have volunteered to work the senior All-nighter. Please pray for him and all students who will be graduating and moving on in their lives.

Next week will be our last regular spelling test on Friday. I have made a list of all challenge words and if a student, or students, would like to take the more difficult test instead of our regular spelling test, they can. We will also have a math test on Friday over geometry. Children, please review all your notes and practice your area, volume and perimeter.  
Thanks☺

Journals will be collected and graded next week for the last time. I have reminded the students several times to make sure they are up to date on these.

We will be starting to clean things up around here in a few days. Each child should bring an extra bag and a small rag for cleaning their books, desks and lockers.

"Auction" is on Wednesday. Pray for everyone to be healthy. Also, if anybody has a good rubber kick ball at home we can use for our "Party in the Park" on June 6<sup>th</sup>, please bring it in with your child on Tuesday.

God bless you all and enjoy the holiday weekend with your family and friends☺ **PRAY FOR BEAUTIFUL WEATHER and SAFE TRAVEL☺**

Peace,  
Mrs. Bethann Petkus
