Suzi and Jeanne,

I have been at school FIVE times in the last two days and I just have to share with you the peace and overwhelming joy that comes over me EVERY time I enter the building! I am constantly thanking our Lord that he led my family to Saint Thomas and that he has blessed us SO abundantly with teachers, staff and parents who continuously not only **speak** of our mission to give children a "dynamic education centered in Christ", but **model** it in their everyday lives and interactions with our students and each other. I am in awe of the gift of leadership the two of you provide, which I truly believe is a manifestation of the Holy Spirit at work through you. Thank you from the bottom of my heart for all that you do and for the love, patience and grace that you and all the staff show to my children and all the families at Saint Thomas.

Gratefully yours,

Amy Sebestyen
